Dear Dr. Dullaghan,

The Electronic Industry Citizenship Coalition, Incorporated (EICC) and the Global e-Sustainability Initiative (GeSI) Conflict-Free Smelter Review Committee reviewed the results of Ohio Precious Metal's Conflict-Free Smelter assessment for gold conducted on the following location on the following dates:

Ohio Precious Metals, LLC.
16064 Beaver Pike, Jackson, OH 45640
07/17/14-07/18/14

The Committee has reviewed the assessment and, based on such review, concludes that Ohio Precious Metals is compliant with the EICC/GeSI gold validation protocol. The review covers only the facility in the above list and expires 12 months from the date of the assessment.

Direct general questions to cfsprogram@eicc.info.

Thank you for participating in the Conflict-Free Smelter Program.

Sincerely,

EICC – GeSI Conflict-Free Smelter Review Committee
